Tough on Mr. Poole. CINCINNATI, May 10.—The Cincinnati Reds drove Poole off the rubber in the second inning, when three singles, three bases on balls, a home run by Higgins with the bases full and a triple put seven runs across the plate. Attendance, 4000. Score: Cincinnati, 10; Philadelphia, 2. Batteries—Hahn and Schell; Poole, Reddy and Bergen. Earned runs, Cincinnati 5; Brooklyn 2; two-base hits, Kelly 2, McCormick, three-base hits, Dolan, Corcoran, Eddy.

One Hit in a Game. PITTSBURGH, May 10.—Both pitchers did excellent work. The only hit scored against Miller was in the eighth. Both pitchers' runs were scored on errors. Attendance, 1500. Score: Pittsburgh, 0; Philadelphia, 0. Batteries—Miller and Carish; Sparks and Devlin. Base on balls, off Sparks 1; struck out, by Miller 4, by Sparks 3. Umpire—Emler.

Close at Omaha. OMAHA, May 10.—The visitors won a featureless game from Omaha today. Both pitchers were hit freely and poor fielding characterized the play of both teams. Score: Omaha, 6; St. Joseph, 4. Batteries—McCarthy and Goding; Morrison and G. Clark.

Home Run With Bases Full. COLORADO SPRINGS, Colo., May 10.—Heavy and timely hitting gave St. Joseph a victory today. Kah's home run with the bases full, after two were out in the eighth, which gave the locals four runs, and the fast fielding of the visitors were the features. Score: Colorado Springs, 10; St. Joseph, 4. Batteries—Connel, Lempe and Baerwald; Dicht and McConnell.

Shut Out at Denver. DENVER, Colo., May 10.—Denver made it four straight from Sioux City today and closed the victorious series with a shut-out. Score: Denver, 10; Sioux City, 0. Batteries—Eyer and Lucas; Lindaman and Hess.

American at Cleveland. CLEVELAND, May 10.—Cleveland-Detroit game postponed, rain.

New York Beat Boston. BOSTON, May 10.—Powell's clever pitching at critical times proved too much for Boston in today's game. Fenn's bases on balls—off Damman, 2, off Essick, 2—two-base hits—Murdoch, Weed, Gimlin, Delman, 2, three-base hit—Hansen, 2; Delman, 2; home run—Hansen, 2; bases on balls—off Damman, 4, by Essick, 5. Time of game—two hours. Umpire—McCarthy. Attendance—900.

Some Baseball Dope. Essick won a home with the Salt Lake fans yesterday by the way he performed against the Indians. There were some who feared that the visitor from Iowa would not make good, but his work yesterday will go a long way toward dispelling the idea.

Chief Standing Elk. Rolly, as he is known among the Spokane fans, was one of the features of the game yesterday afternoon. The local ballplayer caused considerable amusement among the fans. Incidentally Rolly plays a little baseball and can hold down the third base as well as anybody that ever appeared in this neck of the woods.

Today is ladies' day, and all members of the fair sex—ages eight to figure—will be admitted to the ball park and grand stand. The local ballplayers are expected to make a special effort to win on account of the fact that many ladies will probably be present.

Fred Weed was afflicted with a "strong arm" yesterday, and it was about all the popular third baseman could do to keep the home team from scoring. He made four bad throws to first base, all of which went high over Kelly's head. Fortunately only two of them cost anything.

A sensational story was that made by Bruyette yesterday afternoon in the sixth inning. The local shortstop caught the ball on the run and whipped it over to first quick as a flash, getting the runner without trouble.

"Dad" Clark missed one out in the middle garden yesterday afternoon on a close play. The local ballplayer caught the ball on the run and whipped it over to first quick as a flash, getting the runner without trouble.

Luckies Win. The Lucky Nine defeated the Utahs yesterday by a score of 23 to 10. Following is the line-up of the Luckies: W. Kling, 1b; E. Young, 2b; D. Young, 3b; G. Young, 4b; C. Young, 5b; M. Gallacher, 6b; E. Young, 7b; C. Young, 8b; F. Gallacher, 9b.

Hit the Ball and Won. CHICAGO, May 10.—Boston won today's game by timely hitting in the last three innings. Attendance, 1900. Score: Chicago, 10; Boston, 3. Batteries—Gray and Eager; Schmidt and Boettcher.

WOMEN CLAMOR
TO SEE PRIZEFIGHT

Fair Ones of Butte Threaten to Don Male Attire to See Herrera-Long Bout Tonight.

Special to The Tribune. BUTTE, Mont., May 10.—The demand for seats to the Herrera-Long contest tomorrow night bids fair to exceed the seating capacity of the Broadway theater, which will accommodate over 3000 persons. A surprising feature is the many demands of women for tickets to the mill, but the rules of the Montana Athletic club strictly forbid admittance of the weaker sex to its contests and all requests of this character for tickets have been refused. A number of well-known women have threatened to don male attire if necessary in order to see the fight.

The Mexican appears to be the favorite with Butte sports and he is being backed at odds of about ten to seven. Both Herrera and Long appear to be in the pink of condition and the two fighters will weigh in at about 127 pounds tomorrow afternoon.

Benny Yanger will meet the winner of tomorrow night's fight in Butte. June 13, Miners' Union day. Manager William Nolan of the Montana Athletic club having received a message from John Hertz saying articles would be signed by him as soon as received.

Flight followers of Salt Lake are interested in the battle for the reason that both of the principals are well known here. Herrera has appeared here on two different occasions and is well liked, notwithstanding the fact that his last go in this city was a very unsatisfactory one to the sport lovers.

The fight tonight promises to be one of the warmest affairs ever pulled off in the Montana city. There is marked animosity between the two men on account of the termination of their last encounter at Anaconda. Long knocked the Mexican out in the third round, but at the time the ring was full of spectators and Herrera claims that he was endeavoring to clear the ring when his antagonist landed the wallop that won the money.

Long's friends, on the other hand, assert that unfair methods were used by Herrera's backers when they saw that their man was worsted. It is claimed that the going was rung before time and a fight precipitated to save Herrera from defeat.

Despite the fact that the "Mex" was beaten in the last battle he will probably enter the ring tonight a favorite over the Oakland lad. Since meeting Herrera, Long has traveled about the country and has made such a brilliant showing that he will have the call over his former conqueror when they meet this evening.

All the details have been arranged for the wrestling match between Frank Conried, the "German Strong Boy," and Charles Ross, the well-known local mat artist, who meet in a catch-as-catch-can contest at the Salt Palace theater on Friday night. The theater has been specially prepared for the occasion and the management will have seating capacity for 1000 persons or more.

Unfried is a German wrestler who has been in the United States for nearly four years, during which time he has met almost every mat performer of note in the country.

Yasof, the original "Terrible T," has a thorough knowledge of the game and is a match for almost any man in the country at his weight, 185 lbs. He is doing his training at the Salt Palace and his work is attracting considerable attention from wrestling followers about the city.

Ross is well known in this city and will have many friends to back him in the contest. He is a native of the city and has been a resident here for many years.

CAMBRIDGE SPRINGS, Pa., May 10.—At the conclusion of the tenth round of the international chess masters' tournament today, Marshall of Brooklyn took the lead by beating Showalter, Janowski not having finished his game with Fox. Cured His Mother of Rheumatism. "My mother has been a sufferer for many years with rheumatism," says W. H. Howard, of Husbands, Pa. "At times she was unable to move at all, while at all times walking was painful. I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried; in fact, she is never without it now, and is at all times able to walk. An occasional application of Pain Balm keeps away the pain that she was formerly troubled with." For sale by all leading druggists.

WILL PURIFY
THE RACE TRACK

Grand Circuit Organized to Secure Better Racing on Twelve Eastern Tracks.

NEW YORK, May 10.—The grand circuit of race tracks was organized as a corporation at a meeting here today of representatives of twelve of the most important tracks in the country. The object of the organization, according to its secretary, Albert H. Moon of this city, will be "the purification of the turf and the uplifting of racing to the highest possible plane." It will not interfere with the present bodies, the National and American Trotting association, but will act in harmony with them.

The twelve tracks incorporated in the grand circuit will be Detroit, Cleveland, Buffalo, Empire City and Brighton Beach, New York; Readville, Boston; Providence, Hartford, Columbus, O.; Cincinnati and Memphis.

The articles of incorporation were signed by Daniel J. Campau of Detroit, James Butler of New York, C. K. C. of Philadelphia, E. Perkins of Providence and H. M. Hanna of Cleveland. The six named were chosen as stewards of the grand circuit, and the following officers were elected: Daniel J. Campau, president; John E. Crawford, vice-president; Albert H. Moon, secretary.

D. J. Campau, C. R. Bentley of Buffalo and Albert H. Moon were appointed a committee to draw up a constitution and by-laws for the organization. These will probably be similar to those of the National and American Trotting associations.

Butte Miners Defeat Boise In Long, Weary and Unsatisfactory Game Butte Wins by Score of 9 to 3.

Special to The Tribune. BOISE, Ida., May 10.—In a wordy, listless and altogether unsatisfactory contest, the Butte Miners overcame the Boise Fruit Pickers today by a score of 9 to 3. Umpire Sharp was mainly responsible for the dilatory play, because of his lack of firmness. He allowed the players to loaf, talk and back and did not begin to fine them until it was too late. Quick pitched a sturdy game for Butte, but his antics in the box were those of a man in the last stages of consumption. Blewett wanted time enough gazing at the clouds and spitting on his finger tips to starve the spectators to death and the game dragged through two and a half hours.
